

Run From Sun® Arizona

The Leonard E. Warren Melanoma Foundation is branching out in an effort to spread the sun safety message across the U.S.

In late 2009, Dr. Greg Allen licensed the Run From The Sun® name to conduct a half marathon and 5K in Arizona. We are now offering franchises to other groups in an effort to expand to other parts of the country.

Registration online

The Leonard E. Warren Melanoma Foundation is once again partnering with active.com to offer online registration for the Run From The Sun® and to accept tax-deductible donations.

For those who wish to register for the Run From The Sun, the active.com site offers the ability to pay with a credit card, a feature that has been requested in the past.

Participants may also register via U.S. mail.
